

STROH, PHILLIP - Listed on page 13 of the San Jacinto rolls printed in 1836 and on page 34 of the General Land Office as Philip Stroth, a member of Captain Moseley Baker's San Felipe Company. On page 65 of the Land Office rolls Philip Straugh is shown as having been enlisted by Major L. Smith April 5, 1836 for a period of three months. On page 40 Philip Stowe is shown as a member of Captain Alfred H. Wyly's Company.

Philip Stroth was issued Bounty Certificate No. 9888 for 320 acres of land \_\_\_\_\_ for having served in the army from March 2 to July 25, 1836. He received Donation Certificate No. 1179 for 640 acres of land November 29, 1841 for having participated in the battle of San Jacinto.

The compiler is convinced that Philip Stroth, Philip Straugh, Philip Stowe, and Philip Stroth were one and the same and that he served in Captain Wyly's Company at San Jacinto. He was probably transferred from Captain Baker's Company to the smaller organization.

A Mr. Philip Stroth died in Brazoria County in 1838, and John A. Hueser was appointed administrator of his estate June 25, 1838. This was probably the father of the San Jacinto veteran, for on January 15, 1845, Mr. Stroth of Brazoria County, but at that time in New Orleans, sold Bounty Certificate No. 9888 to Charles F. Fisher for \$50.00.

The compiler has no information as to when Mr. Stroth came to Texas. He did not receive a headright certificate.
