SEATON, GEORGE WASHINGTON - The compiler is responsible for having Mr. Seaton's name inscribed on the bronze plaque in the San Jacinto memorial monument on which are listed the name of the men who participated in the battle of San Jacinto. He is now (March 24, 1941) convinced that Mr. Seaton was among those who were detailed to guard the baggage at the camp opposite Harrisburg, April 21, 1836. His name is not shown on the San Jacinto rolls printed in 1836 or on the San Jacinto rolls in the General Land Office.

Mr. Seaton was a member of Captain Isaac N. Moreland's company of artillery. On June 26, 1847 he was issued Donation Certificate No. 79 for 640 acres of land for having participated in the battle of San Jacinto.

Mr. W. P. Zuber in a letter published in the Texas Almanac in 1860 stated that he, Mr. Seaton and others whom he named remained in the camp near Harrisburg. He stated that the reason Mr. Seaton was left at the camp was because he had been accidentally shot in one of his feet.

In applying for Headright Certificate No. 128 February 19, 1838, to the Montgomery County Board, Mr. Seaton stated that he had arrived in Texas January 18, 1836. He was issued a certificate for one-third of a league of land which was surveyed in Grimes county. He was living in Travis county March 14, 1848, when he sold his donation certificate to Herman Aiken of Milam county for \$50.00.

On July 22, 1857, Mr. Seaton at Austin put in a claim for his service in the army. The correspondence concerning the claim is found

in the Claims Papers, Archives, Texas State Library. Captain Hayden Arnold of the "Nacogdoches county" at Headquarters at La Bahia June 2, 1836, certified that Mr. Seaton joined his company March 20, 1836, and remained in it until April 14 when he was transferred to the artillery. Hugh M. Swift, by order of Captain George W. Pee, stated that Mr. Seaton was on June 5, 1836, discharged from the artillery company at Goliad. Accompanying the claim was the following letter from Mr. Seaton to Thomas Green:
