

HENRY, ROBERT - Was a member of Captain James Gillaspie's Company at San Jacinto and on November 17, 1838 was issued Donation Certificate No. 607 for 640 acres of land for having participated in the battle. On April 12, 1838 he was issued Bounty Certificate No. 2854 for 320 acres of land for having served in the army from March 9 to June 8, 1836.

The Compiler has not been able to identify the Robert Henry who participated in the battle of San Jacinto. Most of the men of Captain Gillaspie's Company resided in what are now Montgomery and Walker Counties. The only headright certificate issued to any one of the name of "Robert Henry" was issued by the Robertson County Board of Land Commissioners, February 5, 1838, but this Robert Henry did not participate in the battle of San Jacinto;
