SMITH, WILLIAM - The compiler is responsible, through oversight, for causing the name of William Smith to be omitted from the bronze plaque in the San Jacinto memorial monument on which are inscribed the names of the Texans who participated in the battle of San Jacinto. He thinks that the name should be added.

The name Wm. Smith appears on page 16 of the San Jacinto rolls printed in 1836 and on page 37 of the San Jacinto rolls in the General Land Office, as a member of Captain William M. Logan's Company.

Mr. Smith came to Texas in March, 1835 as is stated in Headright Certificate No. 29 for one-third of a league of land issued to him by the Liberty County Board of Land Commissioners in 1838. He was issued Donation Certificate No. 740 for 640 acres of land _____ for having participated in the Storming and Capture of Bexar, December 5 to 10, 1835. On April 8, 1838 he received Bounty Certificate No. 2936 for 320 acres of land for having served in the army from October 13 to December 13, 1835. The land was surveyed in the Gonzales County. On page ____ of the army rolls in the General Land Office he is shown as having enlisted in Captain S. C. Hiram's Company, December 8, 1835 for a period of three months.

In Comptroller's Military Service Records No. 596 it is stated that Mr. Smith entered the service as a substitute for Thomas Uavill, March 6 and was discharged May 22, 1836. He was a member of Captain William M. Logan's company of Liberty Volunteers at San Jacinto, but having received one donation certificate he was not entitled to one for having participated in the battle. On page ____ of the army rolls
