NOTICE

WARNING CONCERNING COPYRIGHT RESTRICTIONS

The copyright law of the United States (Title 17, United States Code) governs the making of photocopies of copyrighted material.

Under certain conditions specified by law, libraries and archives are authorized to furnish a copy or other reproduction. One of these specified conditions is that the photocopy or reproduction is not "used for any purpose other than private study, scholarship or research." If a user makes a request for, or later uses, a photocopy or other reproduction for purposes in excess of "fair use" that user may be liable for copyright infringement.

This institution reserves the right to refuse to accept a copying order if, in its judgment, fulfillment of the order would involve violation of copyright law.

Conditions for Reproduction

1. Reproductions of materials from the collections of the San Jacinto Museum and Battlefield Association (SJMBA) are provided under license agreement for the purpose indicated in writing by the user and agreed upon by SJMBA. Conditions governing their use are specified in these Conditions for Reproduction and on the signed Image and Publication Request form, which creates a contractual agreement when signed by both the user and a representative of SJMBA.
2. All requests for digital reproductions or permission to reproduce images within the collection must be requested in writing using the SJMBA Image and Publication Request form. SJMBA will not sign contracts produced by outside parties.
3. Permission to publish or display a SJMBA image must be granted through a SJMBA Image and Publication Request Form signed by a SJMBA staff member. Possession of an SJMBA image does not constitute permission to use it.
4. Permission may be granted upon written request for one-time, non-exclusive use of photographs for publication, exhibition, or other purposes if the proposed use is specified and approved by SJMBA. Any subsequent use of the same image requires separate application and permission.
5. Usage rights fees may apply and may vary depending on whether a reproduction is for an individual, non-profit, or commercial institution and how it will be used (personal research, publication, exhibition, etc.)
6. A price break is provided to non-profit entities only if proper and appropriate proof of non-profit status is included on the order form in the space provided.
7. The reproduction may not be bled off the page, cropped, or altered without permission. When a detail is used, it must be identified as such. Nothing may be superimposed on the reproduction and it may not be reproduced on colored stock.
8. A credit line must appear with the image, or on a credit page indication the page number of the image. The credit line will read "The San Jacinto Museum and Battlefield Association", and will include the artist's or creator's name when known.
9. Images posted on the World Wide Web must be posted at no greater than 72 dpi and 750 x 500 pixels. SJMBA reserves the right to request the removal of its images from any web site.
10. Please note that a 600 dpi file may not be available for all images.
11. In granting permission to publish or use an image, SJMBA does not transfer any rights that it owns, and permission is granted only to the extent of SJMBA's ownership of the rights related to the request. Consideration of the requirements or copyrights is the responsibility of the author, producer and publisher. Applicants assume all responsibility for questions of copyright and invasion of privacy that may arise in reproductions.
12. When an image from the SJMBA collection is published, a complete copy of the publication must be presented, without charge, to the SJMBA's Albert and Ethel Herzstein Library.
13. Payment must be received before media will be provided. Please wait for an invoice before making payment. Payment may be made by Visa, MasterCard, Discover, American Express, cash, or check made out to: San Jacinto Museum and Battlefield Association.
14. SJMBA reserves the right not to duplicate any book or manuscript that in the judgment of the staff may be harmed in the process, or due to issues regarding ownership or donor-instituted restrictions.
15. Users will not quote or otherwise reproduce in part or in whole any archival material, without citing SJMBA and without giving explicit written acknowledgement of the collection from which it was obtained, as designated on the finding aid to the archival material.
