HALDERMAN, JESSE -- On page 34 of Book A, containing the list of applicants for land in Austin's Colonies it is shown that when Mr. Halderman applied for land in 1832 he stated that he was 31 years of age and had arrived in Texas from Kentucky in 1831. On December 3, 1832 he received title to one-fourth of a league of land in Austin's Fourth Colony, situated in the present County of Washington. He was issued Headright Certificate No. 174 for three-fourths of one league and one labor of land February 5, 1838 by the Bastrop County Board of Land Commissioners and in the certificate it is stated that he came to Texas in 1832.

Mr. Halderman was issued Bounty Certificate No. 4340 for 320 acres of land October 1, 1836 for having served in the army from February 28 to May 20, 1836. He was a member of Captain Jesse Billingsley's Company of Mina (Bastrop) Volunteers at San Jacinto and on November 8, 1851 Donation Certificate No. 389 for 640 acres of land was issued in his name for having participated in the battle.

The Probate Records of Bastrop County show that Mr. Halderman died in Bastrop County in 1850. He signed his will July 17, 1850, and Campbell Taylor was appointed administrator of his estate August 27, 1850. He left the bulk of his possessions to his widow, Mrs. Harriet Halderman, but left the rights to his San Jacinto Donation Certificate to his brother, David Halderman. The following affidavit made by Captain Jesse Billingsley is found in the Pension Papers in the Archives of the State Library in Austin:
