HALL, JAMES S. - The compiler has been unable to learn when Mr.
Hall came to Texas. He did not apply for a headright certificate.
He was a member of Captain William H. Patton's Company of Columbia
Volunteers at San Jacinto. He was issued Bounty Certificate No. 95
for 640 acres of land July 3, 1846 for having served in the army
from March 1 to September 1, 1836. He did not apply for the dona-
tion land due him for having participated in the battle of San
Jacinto.

The bounty land due Mr. Hall was surveyed in the Bexar Land
District but not in his name. He had probably sold his bounty
certificate.
