ANDERSON, JOHN W. - Born in Alabama in January 1815. He was a son of Benjamin Anderson who was born in Green County, Alabama in 1757 and was a soldier in the Revolutionary War, in which struggle Benjamin's father was killed by the Tories. Benjamin Anderson emigrated to Texas early and settled at San Antonio. Early in the twenties he moved to East Texas. He was twice married, his first wife being Polly Cureton. After her death he married Jane Williams. He had nine children by his first wife and sixteen by his second. The second son by his second wife was John W. Anderson. (Texas 1835 H. R. No. 80 L & L San Augustine.)

John W. Anderson was issued a headright certificate February 1, 1838 for one-third of a league of land by the Nacogdoches County Board of Land Commissioners. He was in the San Jacintocampaign but his name is not on the rolls published in 1836 of those who participated in the battle. It appears, however, on the army rolls in the General Land Office of whose who were detailed to guard the baggage at the camp opposite Harrisburg, April 21, 1836. Donation Certificate No. 98 for 640 acres of land was issued to Mr. Anderson February 13, 1860 for having participated in the battle of San Jacinto. It was not unusual for a soldier who remained at the camp to receive a certificate for land for having participated in the Battle of San Jacinto. In the Court of Claims in the General Land Office there is an affidavit signed by John F. Gilbert, February 9, 1858 in which he said that Mr. Anderson was detailed to wait on the sick at the camp at Harrisburg and that it was his special duty to wait on Mr. Hunter.
Mr. Hunter died April 20, 1836.

Mr. Anderson was married to Elizabeth Briley. Miss Briley was born in Mississippi in 1822 and died in January 1891. Mr. Anderson was a member of the Texas Veterans Association. He died in 1899. Mr. and Mrs. Anderson are buried in marked graves in the cemetery in Cold Springs, Nacogdoches County.
